### Full job description

#### Your new company

This opportunity is working with a highly regarded clinic in Perth's western suburbs. Working with a multidisciplinary team they have collaborative work environment and engaging office culture. Each clinician operates in their own therapy room and has access to brand new, purpose built exercise and pilates room.

#### Your new role

Working as a Senior Physiotherapist you will:

- Manage a varied caseload with pre-existing clients
- Deliver leading evidence based exercise medicine programs
- Taking part in integrated practice units you will have the opportunity every quarter to be involved in research initiatives
- With a multidisciplinary approach to chronic care you will work with clients across oncology, pre-rehab, pre-orthopaedic, general musculoskeletal and mental health

#### What you'll need to succeed

In order to succeed in this role you will be a qualified and experienced Physiotherapist with an interest in chronic care and exercise rehabilitation. Key requirements include:

- AHPRA registration
- Proven experience in exercise prescription and rehabilitation
- Passion for quality improvement and real world research
- Desirable: Clinical pilates experience

**What you'll get in return**

In return for your commitment to this role you will receive:

- An excellent salary package including a bonus scheme
- A varied clinical case load
- Research opportunities every month
