### Full job description

#### WHO ARE WE

Backam Group is a specialist in labour hire services across all sectors for major Australian companies. Far from playing the numbers game that has become all too common in Australian recruitment, we specialize in finding and developing quality candidates and providing them with work opportunities that meet with their desired goals. That's why our Company mantra is 'Numbers count, but people matter'.

#### ABOUT THE ROLE

We are seeking candidates who are keen to learn, be a part of a team and most of all be reliable, driven and hardworking. Our projects are long term and we require people who are seeking consistent work and are invested in their own development.

This position is within our Transport Division. This role would require you to drive an Agi truck in and around Newcastle, travelling between numerous sites daily. We offer industry leading pay rates, ongoing roles, project-based work with a strong focus on your safety.

#### ABOUT YOU

The ideal candidates will have extensive experience in a similar role, your previous work history will show several years experience working within the Transporting industry. You will be available Monday - Friday with some OT work as required, you will be reliable, hardworking and have a strong understanding of your safety responsibilities onsite. You will also possess the following skills and licences:

- HR (Heavy Rigid) Licence is essential
- Must have a current construction industry induction card (White Card)
- Strong communication skills
- Current RMS printout
- Be able to pass a medical and drug and alcohol test

- Concrete agitator driving experience is essential

**How to Apply:**

We welcome and encourage women, ex defence and people of Aboriginal and Torres Strait Islander descent and people from diverse backgrounds to apply. For a confidential conversation please contact our office on 02 9168 8007 or you can send your application alternatively send your application directly through SEEK.
