Full job description

KFC is the world's most popular chicken restaurant chain, specializing in our famous Original Recipe® fried chicken. It all started with one cook who created a finger lickin' good recipe more than 75 years ago, a list of secret herbs and spices scratched out on the back of the door to his kitchen. That cook was Colonel Harland Sanders, of course, and today we still follow his formula for success, with real cooks breading and freshly preparing our delicious chicken by hand. Our aim is to put a smile on people's faces around the world and give every customer a special experience on each occasion.

Our vision is that our jobs will be the best in the world for those committed to serving great food and looking after customers better than anyone else.

We are currently seeking **Food Service Team Members** to join our **KFC Forrestfield** restaurant, located in **Perth, WA**.

The Role

Food Service Team Members consistently prepare high quality food products that create irresistible tastes for our customers whilst maintaining clean and well-presented facilities.
