Full job description

Your new company

Hays are the recruiting experts within the Building Maintenance and Service sector and based on an increase in labour hire positions available, we are looking for mining camp and site infrastructure maintenance electricians to be part of our team.

Your new role

These roles are temp/casual positions, fly-in-fly-out from Perth, usually on a 2:1 roster depending on site requirements. Due to the casual nature of these roles, you must reside in the Perth region and valid Rio Tinto, BHP or FMG inductions will be highly regarded.

What you'll need to succeed

- Full WA Electrical Licence
- Minimum C Class Driver's Licence
- First Aid, CPR and LVR
- Police Clearance (within the last 12 months)
- Recent experience in commercial maintenance
- Previous FIFO experience will be highly regarded, but not essential

What you'll get in return

- RIO inductions provided
- PPE provided
- Weekly pay cycle
- Permanent potential

You must be available to start immediately following the successful completion of your pre-employment medical and inductions.

At Hays, we value diversity and are passionate about placing people in a role where they can flourish and succeed. We actively encourage people from diverse backgrounds to apply.

What you need to do now
