- Ensure all tasks are carried out safely

About your experience

We are looking for someone with a proactive attitude, a strong desire to succeed, along with great customer service skills.

You will also have;

- Valid Forklift licence is essential
- Overhead Crane experience, Dogman Ticket and SAP experience is desirable
- Experience in a similar role within the steel or building industry is advantageous
- A high regard for safety and a hardworking and reliable attitude
- Demonstrated ability to build rapport and maintain effective relationships
- Strong attention to detail and a high degree of time management and organisation skills

About our team

At **InfraBuild** we are building futures through sustainable steel. We are Australia's leading vertically-integrated Electric Arc Furnace steel recycling,

manufacturing and distribution business. We provide solutions for commercial and residential construction, large scale and nation-building infrastructure, our primary producers, mining and rural sectors. With our rich history spanning more than 100 years we have entered an exciting new chapter, each day we help build and enable a stronger and more sustainable Australia, for a changing world.

Steelforce, a brand of InfraBuild, distributes and trades structural steel, merchant bar, tubular steel product. Such products are sold direct to manufacturers, resellers, fabricators, the construction and rural industries.

Next steps

Across our different business units, we offer career opportunities for people who share our drive, passion and ambition. From apprentices and graduates to experienced professionals, we are committed to offering fulfilling careers and the chance to grow as our business grows. We would love you to be part of our journey.

We are a 2022 Circle Back Initiative Employer - we commit to responding to every applicant.
