Full job description

Are you seeking your next long-term role with a great team?

We are on the look out for an experienced Maintenance Fitter to join our national industry-leading client in a full-time permanent capacity.

Who will you be working with?

Our client is an industry leader in the agricultural sector, providing animal feed solutions to a wide market.

They are a well-established organisation and pride themselves on quality service to their customers.

What are the benefits?

- Great culture and working atmosphere
- Long-term permanent opportunity
- Afternoon shift roster (no rotating roster)

What will you be doing?

- Maintaining all operating equipment in the condition to deliver full design duty
- Ensuring plant and equipment run properly when it is required for operation, correcting plant equipment and machines when design duty cannot be achieved and returning them to design specification
- Conducting preventative maintenance, modification and repairs on all general plant and equipment to enable efficient and safe operation

What do you need?

- Qualified Fitter and Turner
- Industry experience working with manufacturing and maintenance teams
- Current drivers and forklift licence
- Sound knowledge of OH&S and Environmental policies and legislation
- Effective communication skills
- Sound computer skills

If you think this could be the role for you then please **apply now!** Or, if you know someone who would suit this role or have any questions, please contact **Chelsey** on **0478 191 193**.

At Fuse, we specialise in recruitment for the manufacturing industry and actively source a variety of roles for a broad range of manufacturers. If you are looking for a new opportunity, I'd love to hear from you!
