### Full job description

#### Your new company

Our client, an instantly recognised brand and leader within the infrastructure space, has a new opportunity for a talented senior finance professional to join their dynamic finance team.

#### Your new role

Reporting into the Group Finance Manager, this role supports and is the main finance contact for the property division. Key duties include:

- Business planning including budgeting and forecasting for the group
- Oversight and management of capital management programmes
- Financial analysis and modelling for investment proposals
- Develop the management reporting for the group
- Commercial advisory for viability of major projects

#### What you'll need to succeed

- CA/CPA qualification
- High level influencing and stakeholder management skills
- Experience in budgeting, forecasting and strategic planning
- Experience with managing month end and year end reporting
- Property experience highly regarded

#### What you'll get in return

- Genuinely flexible and inclusive culture
- Competitive salary and benefits package
- Permanent opportunity

#### What you need to do now
